Meeting Types: **Web-Enhanced** course is a traditional course offered face-to-face using ***Blackboard Ultra*** or some type of learning management system or web presence to enhance the course. The **hybrid-blended** course is half face-to-face, and the other half involves using ***Blackboard Ultra*** or some type of learning management system or web presence to enhance the course. The **online** course is offered fully online using ***Blackboard Ultra*** or some type of learning management system or web presence to enhance the course. *You will need to contact your instructor if they are using a different LMS besides ***Blackboard Ultra***.*

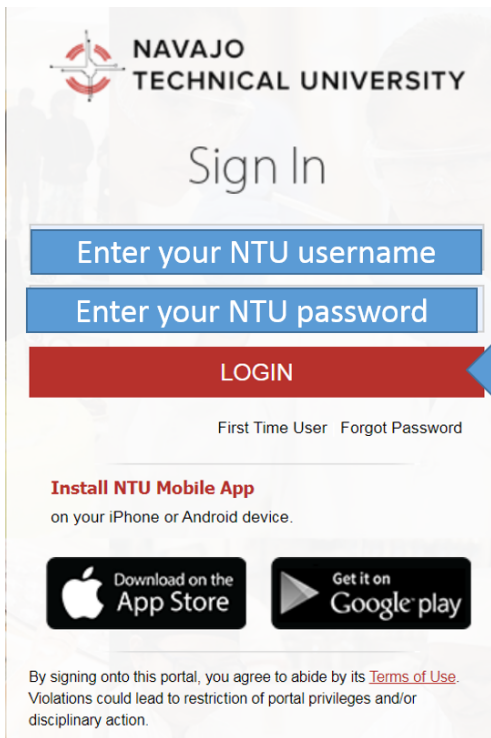

You are expected to log into <https://navajotech.blackboard.com/> or the required Learning Management System (LMS) used by your professor. Please check your **Skyhawk email** for specific course instructions from your online professor. Please read the following information carefully and refer to the attached document for essential information about entering and preparing for your online course in ***Blackboard Ultra***. If you do not have a ***Blackboard Ultra*** account, please see the IT Department or send an email to its@navajotech.edu to request account information.

How to log in to the SSO account

1. Go to www.navajotech.edu, click on the "SSO Login" link at the top bar or main NTU webpage.

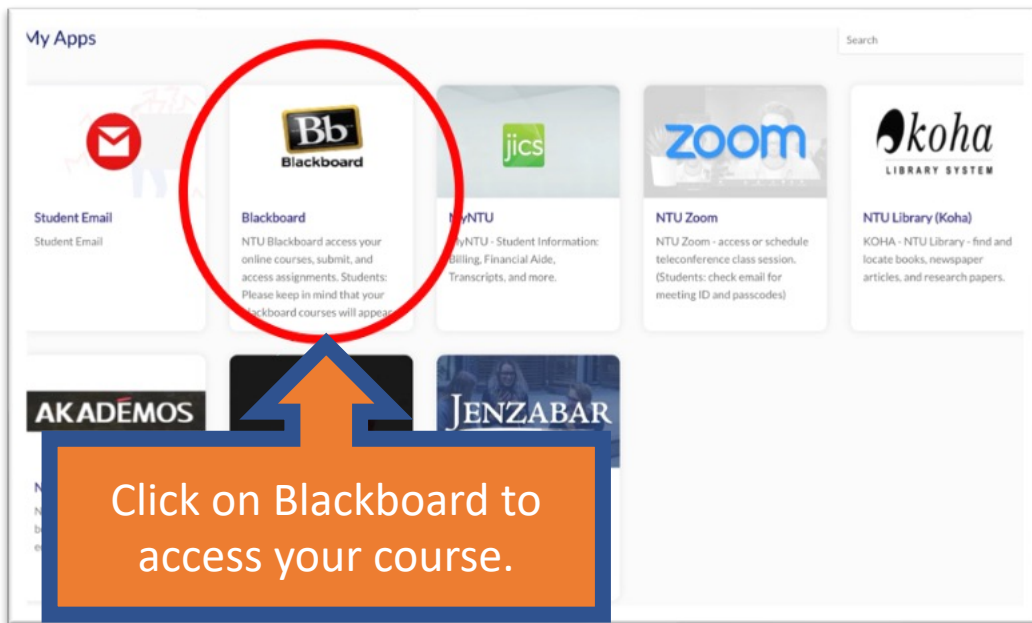

2. Enter your NTU username and password. (Note: IT department creates an account. If you do not have an SSO account, email its@navajotech.edu).

Click on Login. If you do not have an SSO login, send its@navajotech.edu a request.

3. Once you successfully log in, the SSO page should appear. Click on Blackboard Ultra to find your courses. Do not select moodle.

4. Begin navigating your courses.

Another option - How to log in to Blackboard Ultra

1. Go to <https://navajotech.blackboard.com/>
2. Click on the "Login" link at the top bar
3. Use your NTU ID and Password

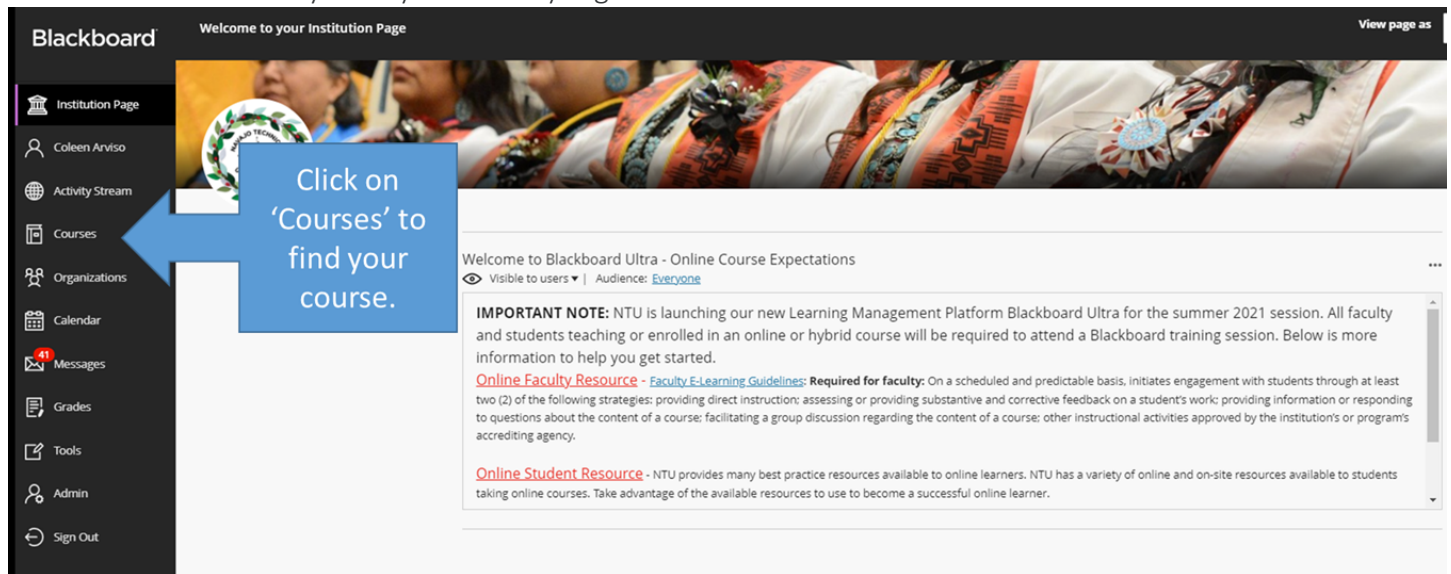

You should now be logged in. If you got a login error, please double-check your password and NTU ID. If you cannot log in to Blackboard Ultra, please click on Forgotten your username or password to reset your password. Check your email to retrieve your password. Your courses are located under "Courses" on the main page, you may need to scroll down if you do not see your course. You will not see any listings if you are not enrolled in any courses.

In Blackboard, your course can be found under “Course”.

How to Find your Course(s)

Your courses are located under “Courses”. You should see semesters listed. Click the down arrow next to the current semester to see the courses for that semester. You will normally be enrolled in a Blackboard Ultra course site the day after you officially register for a course.

The screenshot shows the Blackboard Ultra interface. On the left is a navigation menu with options: Institution Page, Coleen Arviso, Activity Stream, Courses, Organizations, Calendar, Messages (41), Grades, Tools, Admin, and Sign Out. A blue callout box with a white arrow points to the 'Courses' link, containing the text 'Click on 'Courses' to find your course.' The main content area shows a 'Welcome to Blackboard Ultra - Online Course Expectations' page. It includes an 'IMPORTANT NOTE' about the new Learning Management Platform for the summer 2021 session, and links to 'Online Faculty Resource' and 'Online Student Resource'.

PREPARATION FOR ONLINE COURSES

Information about online courses is available on the [E-Learning Resource](#) and [Student Resource](#) pages. To see a detailed course description and any additional instructions provided by your instructor, select Spring 2023 courses.

Blackboard STUDENT ORIENTATION COURSE – ready!

Under ‘Course’, you will see a course called: [‘Blackboard Ultra 101 - Student Orientation Course’](#).

This course is to help you use the various features in Blackboard Ultra. Please review and complete this course once it is available.

ONLINE TUTORING TOOL

You also have access to a free online tutoring tool. You can access the tool in your online course by clicking the **NetTutor** link. NetTutor has Subject Matter Experts in all areas. Please use this resource to help you with any challenges you may have in your course. For more information, go to url,

<http://www.navajotech.edu/online-tutoring>.

Select a Nettutor Subject Matter Categories.

Please Select a Group to Receive Tutoring in That Area
