

New & Returning Student Online Orientation

This student orientation provides students with information about the many resources available at Navajo Technical University (NTU). Students learn about student services, special programs, and other student support programs. The orientation is available online and is mandatory for all students required to complete the [Registration Online process](#). You will receive certification of completion for finishing the online orientation. The online orientation takes about 20-40 minutes to complete. If you run out of time, you can always return to access to complete or obtain any information.

How to Access the Orientation on NTU Website:

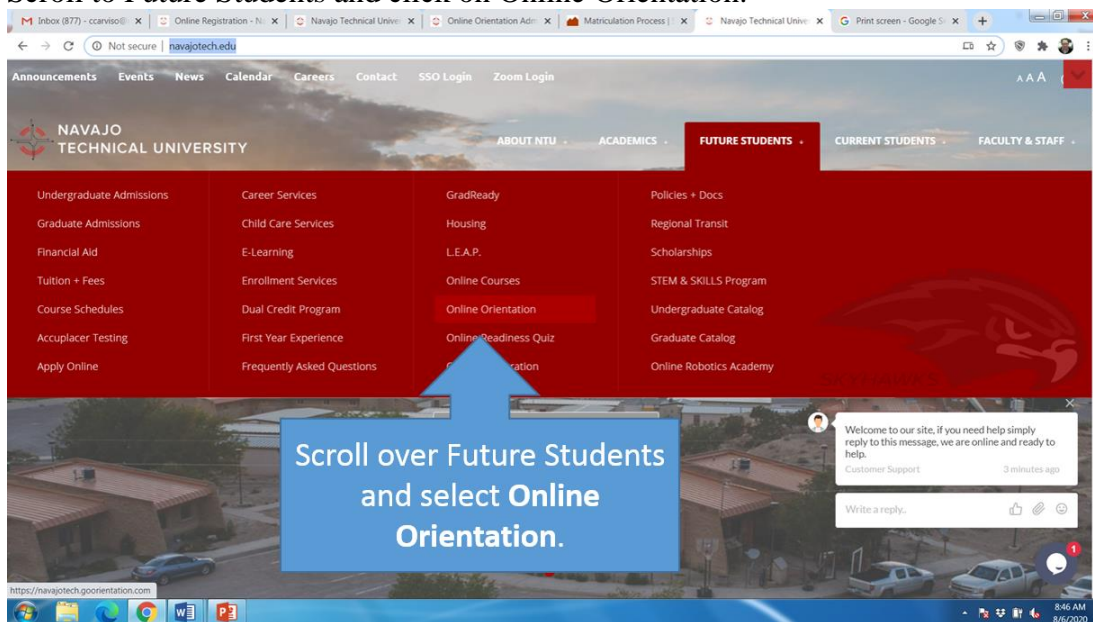

Please review the following steps to log-in to start the Online Orientation. You must know your NTU Student Number and Skyhawk email (if you don't have these items please email its@navjaotech.edu for them to create your SSO account).

1. Click on the following link to be directed right to the Online Orientation page on the [NTU website](#) under Current Students and/or Future Students:

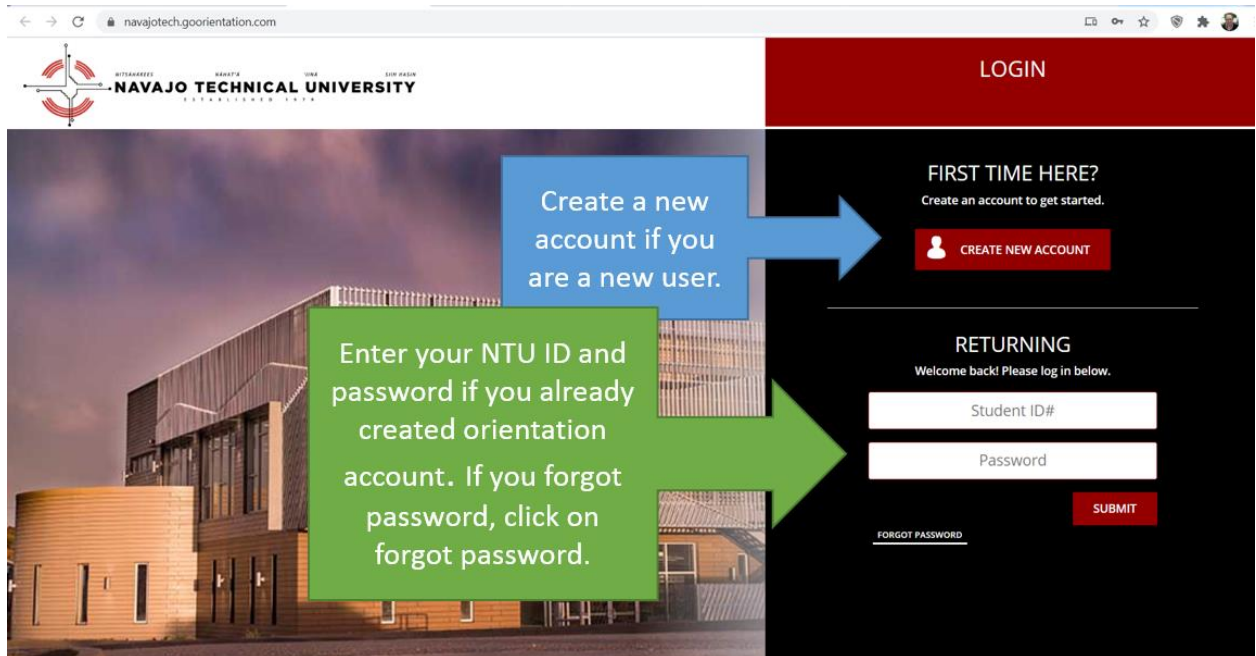

Step 1: **Go Directly to the Online Orientation**

2. While in your Orientation, follow the instructions below:

- Scroll to Future Students and click on Online Orientation.

- Online Orientation front page.

Step 2. Click on '**First Time Here?**' to create a new account.

Step 3: Enter your First Name, Last Name, Skyhawk Email, NTU Student ID (If you don't know your student ID, refer to your course schedule), your Phone and Type, and your new password twice and click submit.

Step 4: Select New First-Year Student

Step 5: Complete each of the areas: Introduction & Welcome, Support Services, Policies, and Safety, Student Life, Paying for College, Next Steps,

NOTE: The online orientation includes pertinent information such as academic studies, support services, policies & safety, Title IX, student life, and paying for college. When you complete the orientation, you will receive an email with a Certificate of Completion. Students should print or photograph the completion certificate for their records. It may also be available to print from the orientation platform, itself. You will always have access to these resources if you need to refer back to the services we offer at NTU. Have a great semester. Be safe and well.
